**The warm
heart of your
home**

Simfer believes that the heart of any home is its kitchen.

Starting here, our cookers, heaters, fridges and washers help you give warmth to your entire home.

A reassuring, friendly warmth — making every Simfer product a true family member. Supported by the quality, design and brand range that others can't deliver. By focusing on you, our customer and understanding your needs and wishes, Simfer creates products that can inspire you to make home cooking and living a richer, warmer experience.

We believe that the heart of any home is its kitchen. Therefore, we wanted that our built-in appliances help you give warmth to your entire home.

We focused on the features that will reflect this warmth in our designs and provide you with convenience. And we created **ICON Series!**

The **ICON Series** that combines technology and design will be indispensable parts of your kitchen.

Induction Hobs
Create

*a warm
atmosphere*

simfer

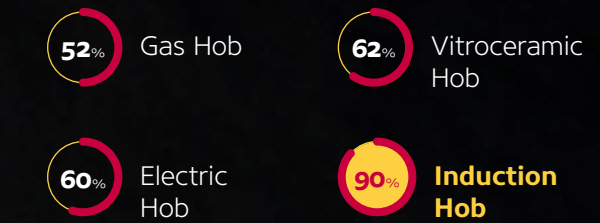

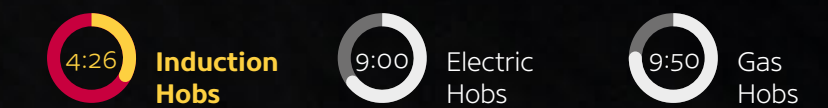

ICON induction

Induction hobs cook up to 50% faster and provide better energy efficiency.

Energy Efficiency (%)

Cooking Times

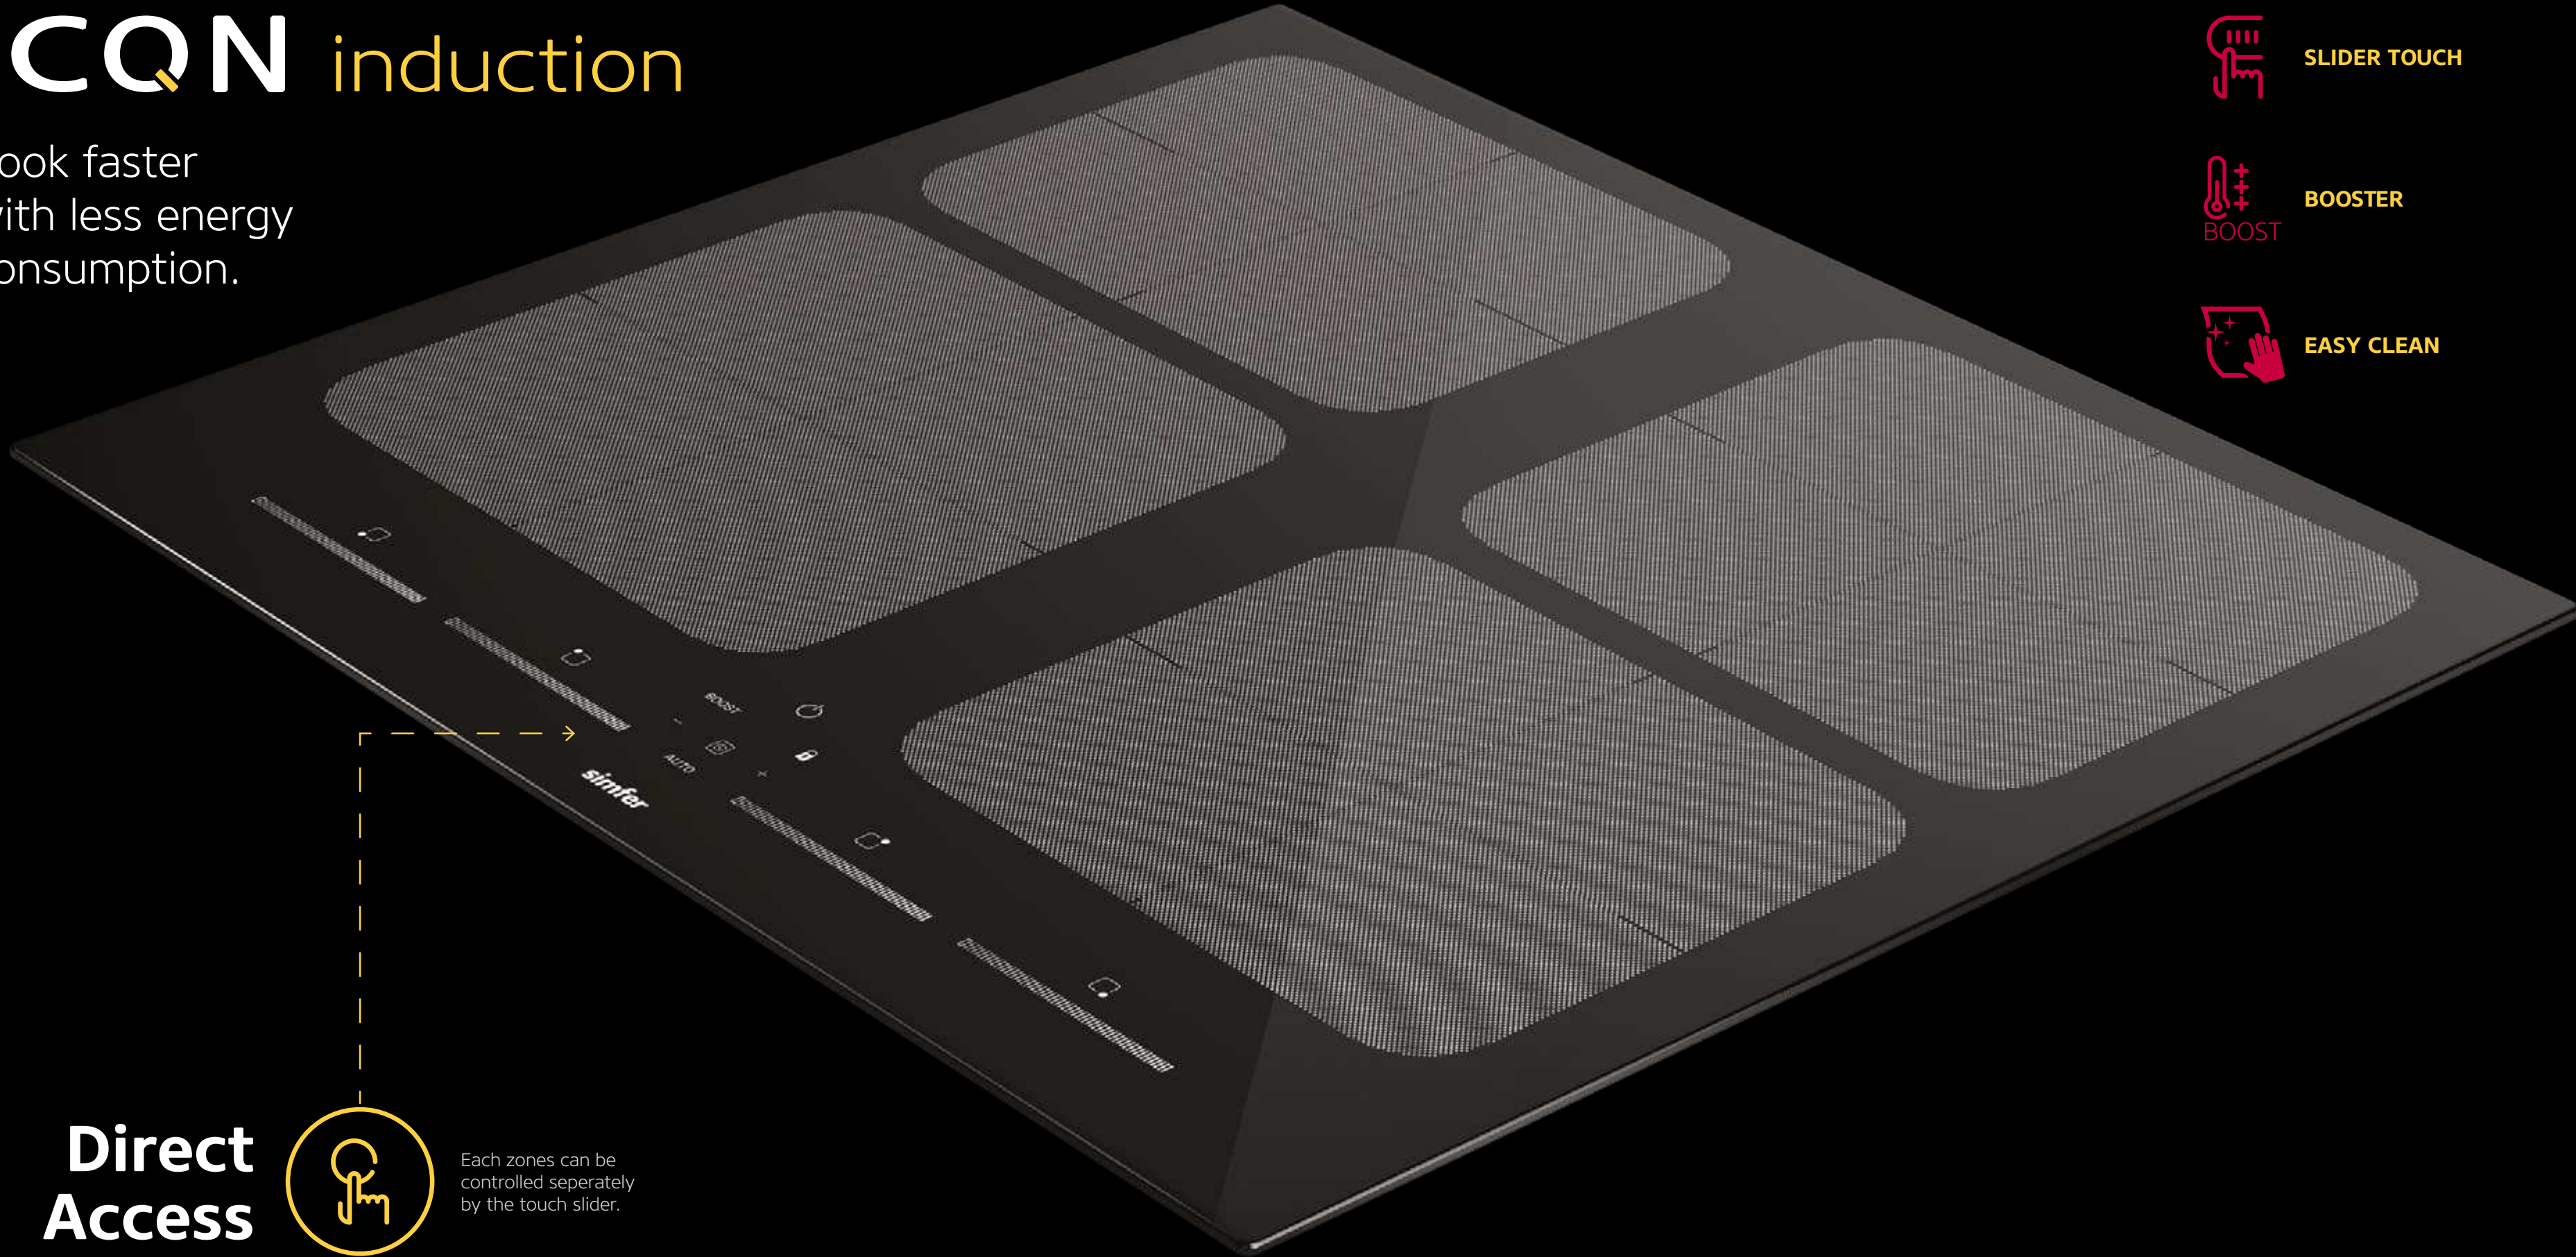

Pan Size Detection

Induction hobs are sensitive to the pan surface and do not transmit heat outside the pan area. Induction hobs detect and asymmetrically cook multiple zones covered by the pans.

ICON induction

Cook faster with less energy consumption.

SLIDER TOUCH

BOOSTER

BOOST

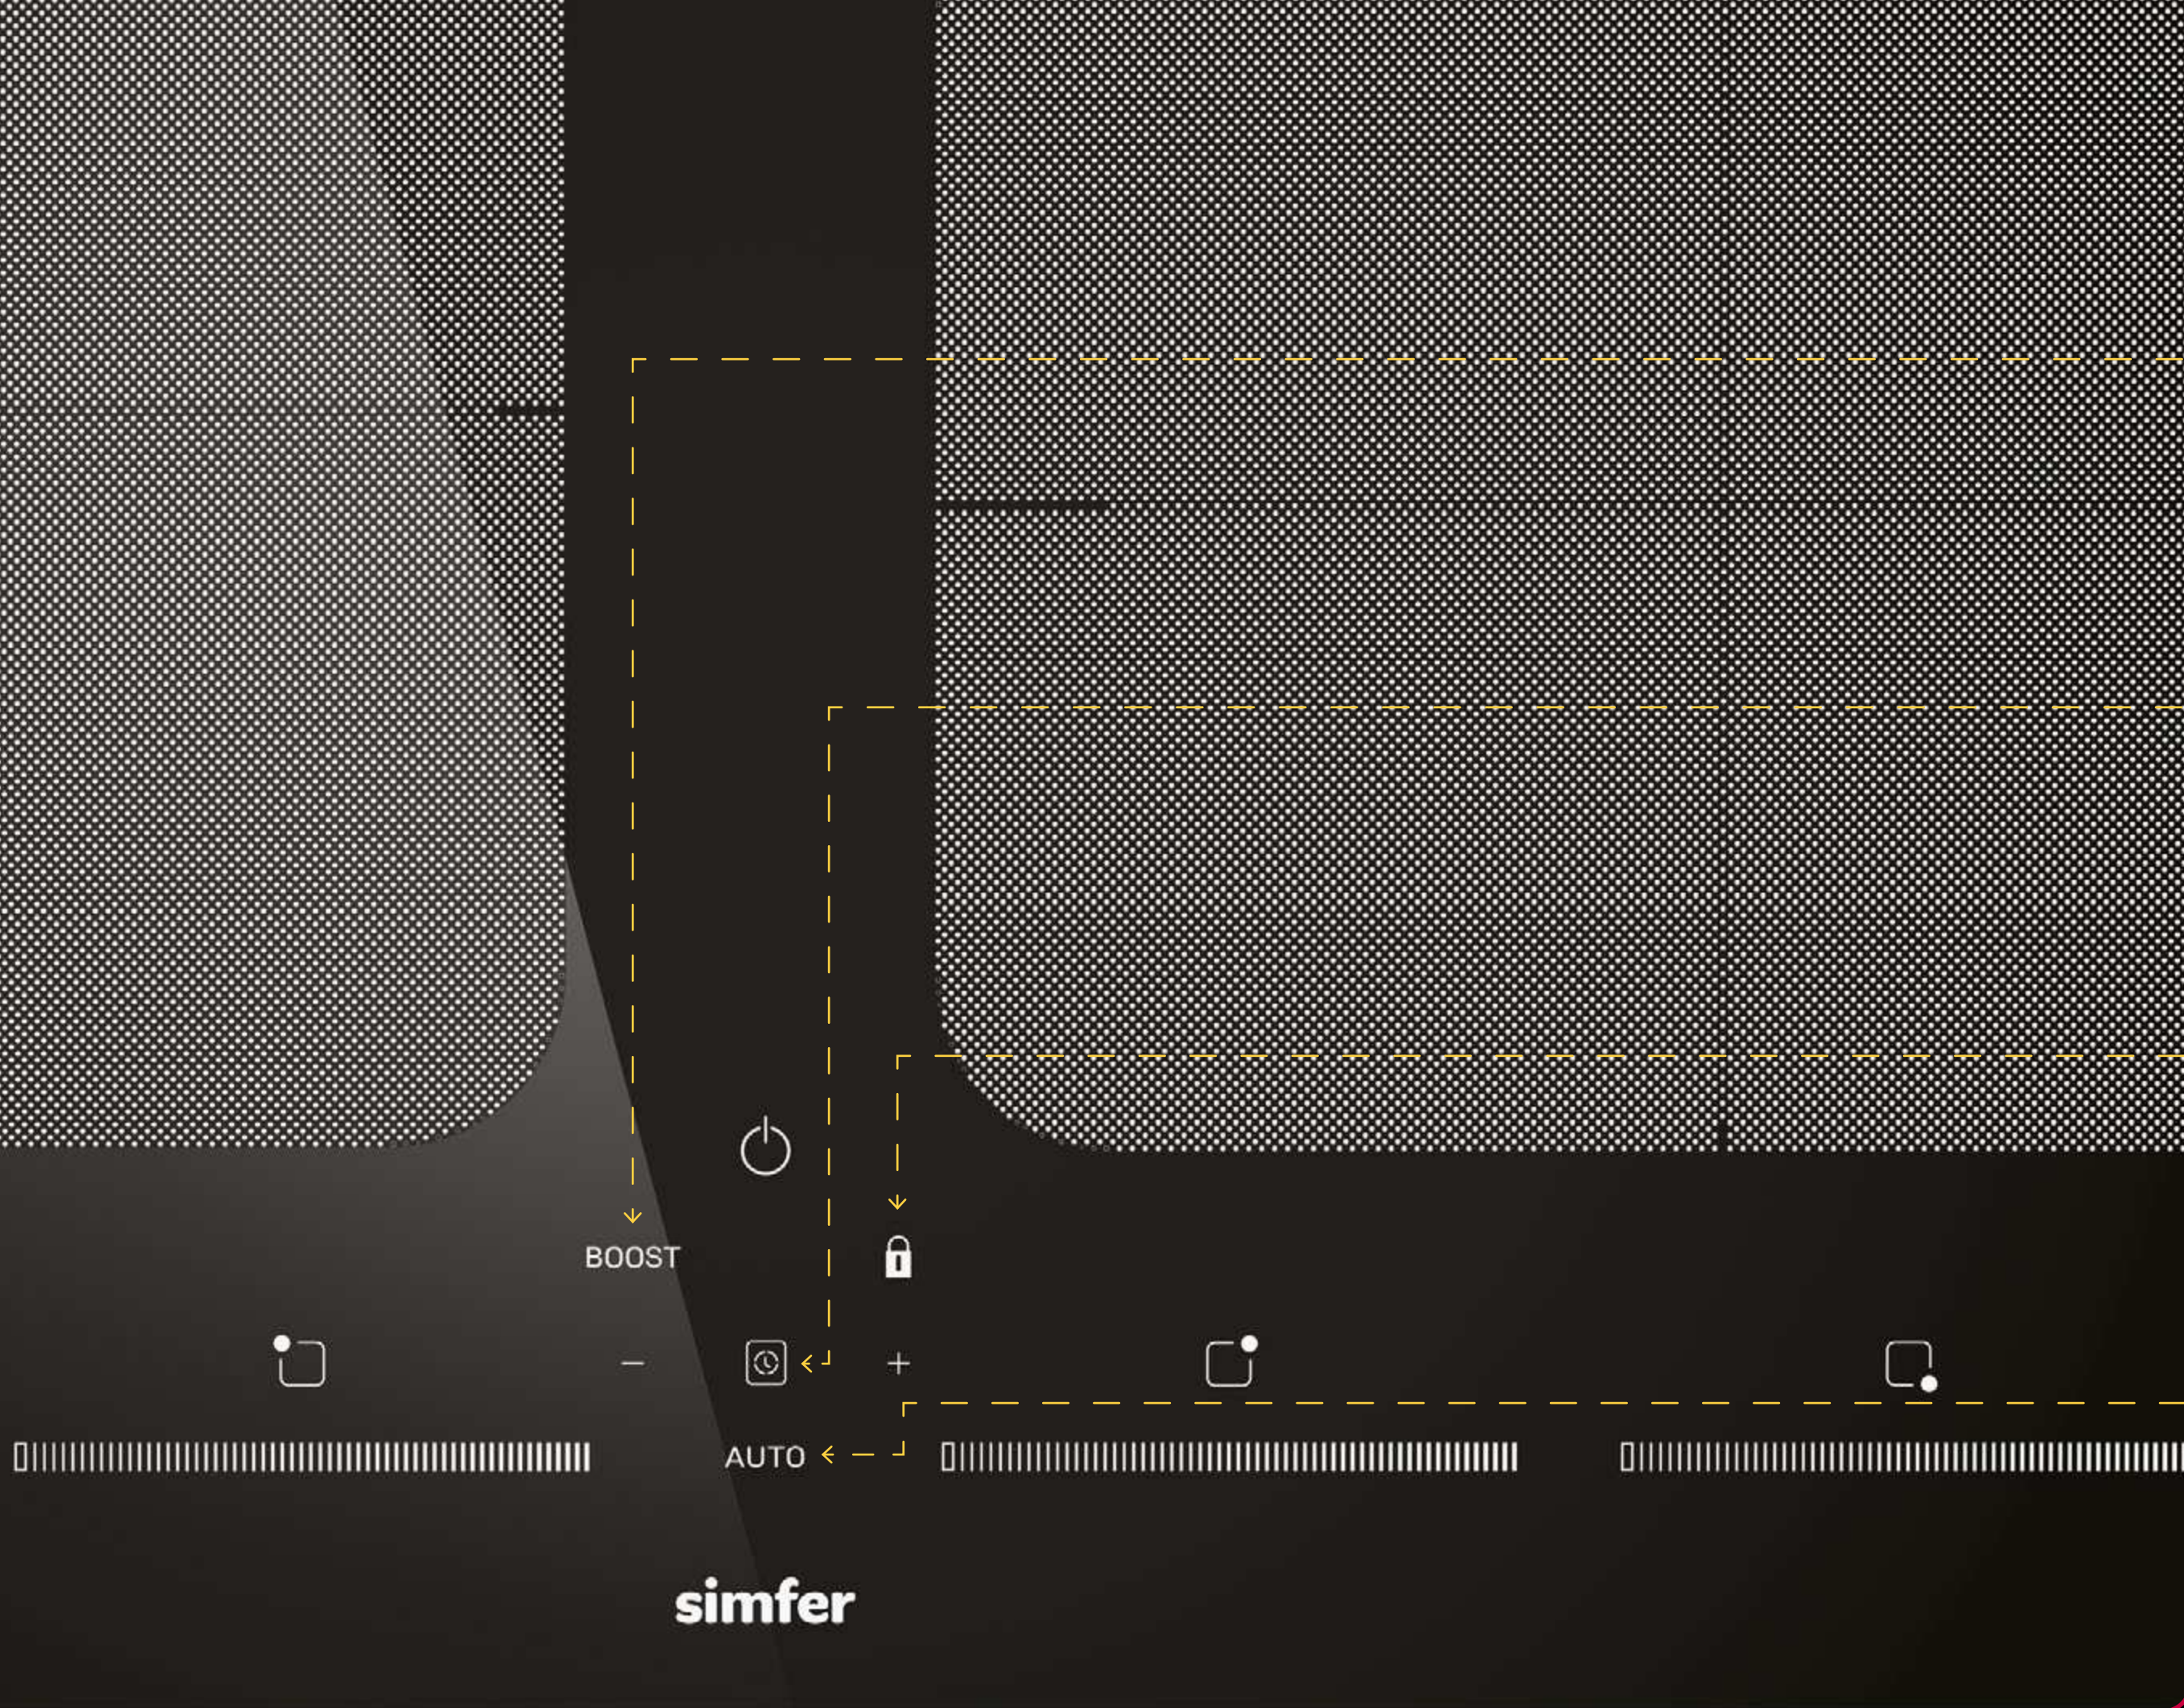

EASY CLEAN

Direct Access

Each zones can be controlled seperately by the touch slider.

Booster

Induction hobs cook 50% faster with the booster feature.

Timer

Any cooking time can be programmed for up to 99 minutes.

ChildLock

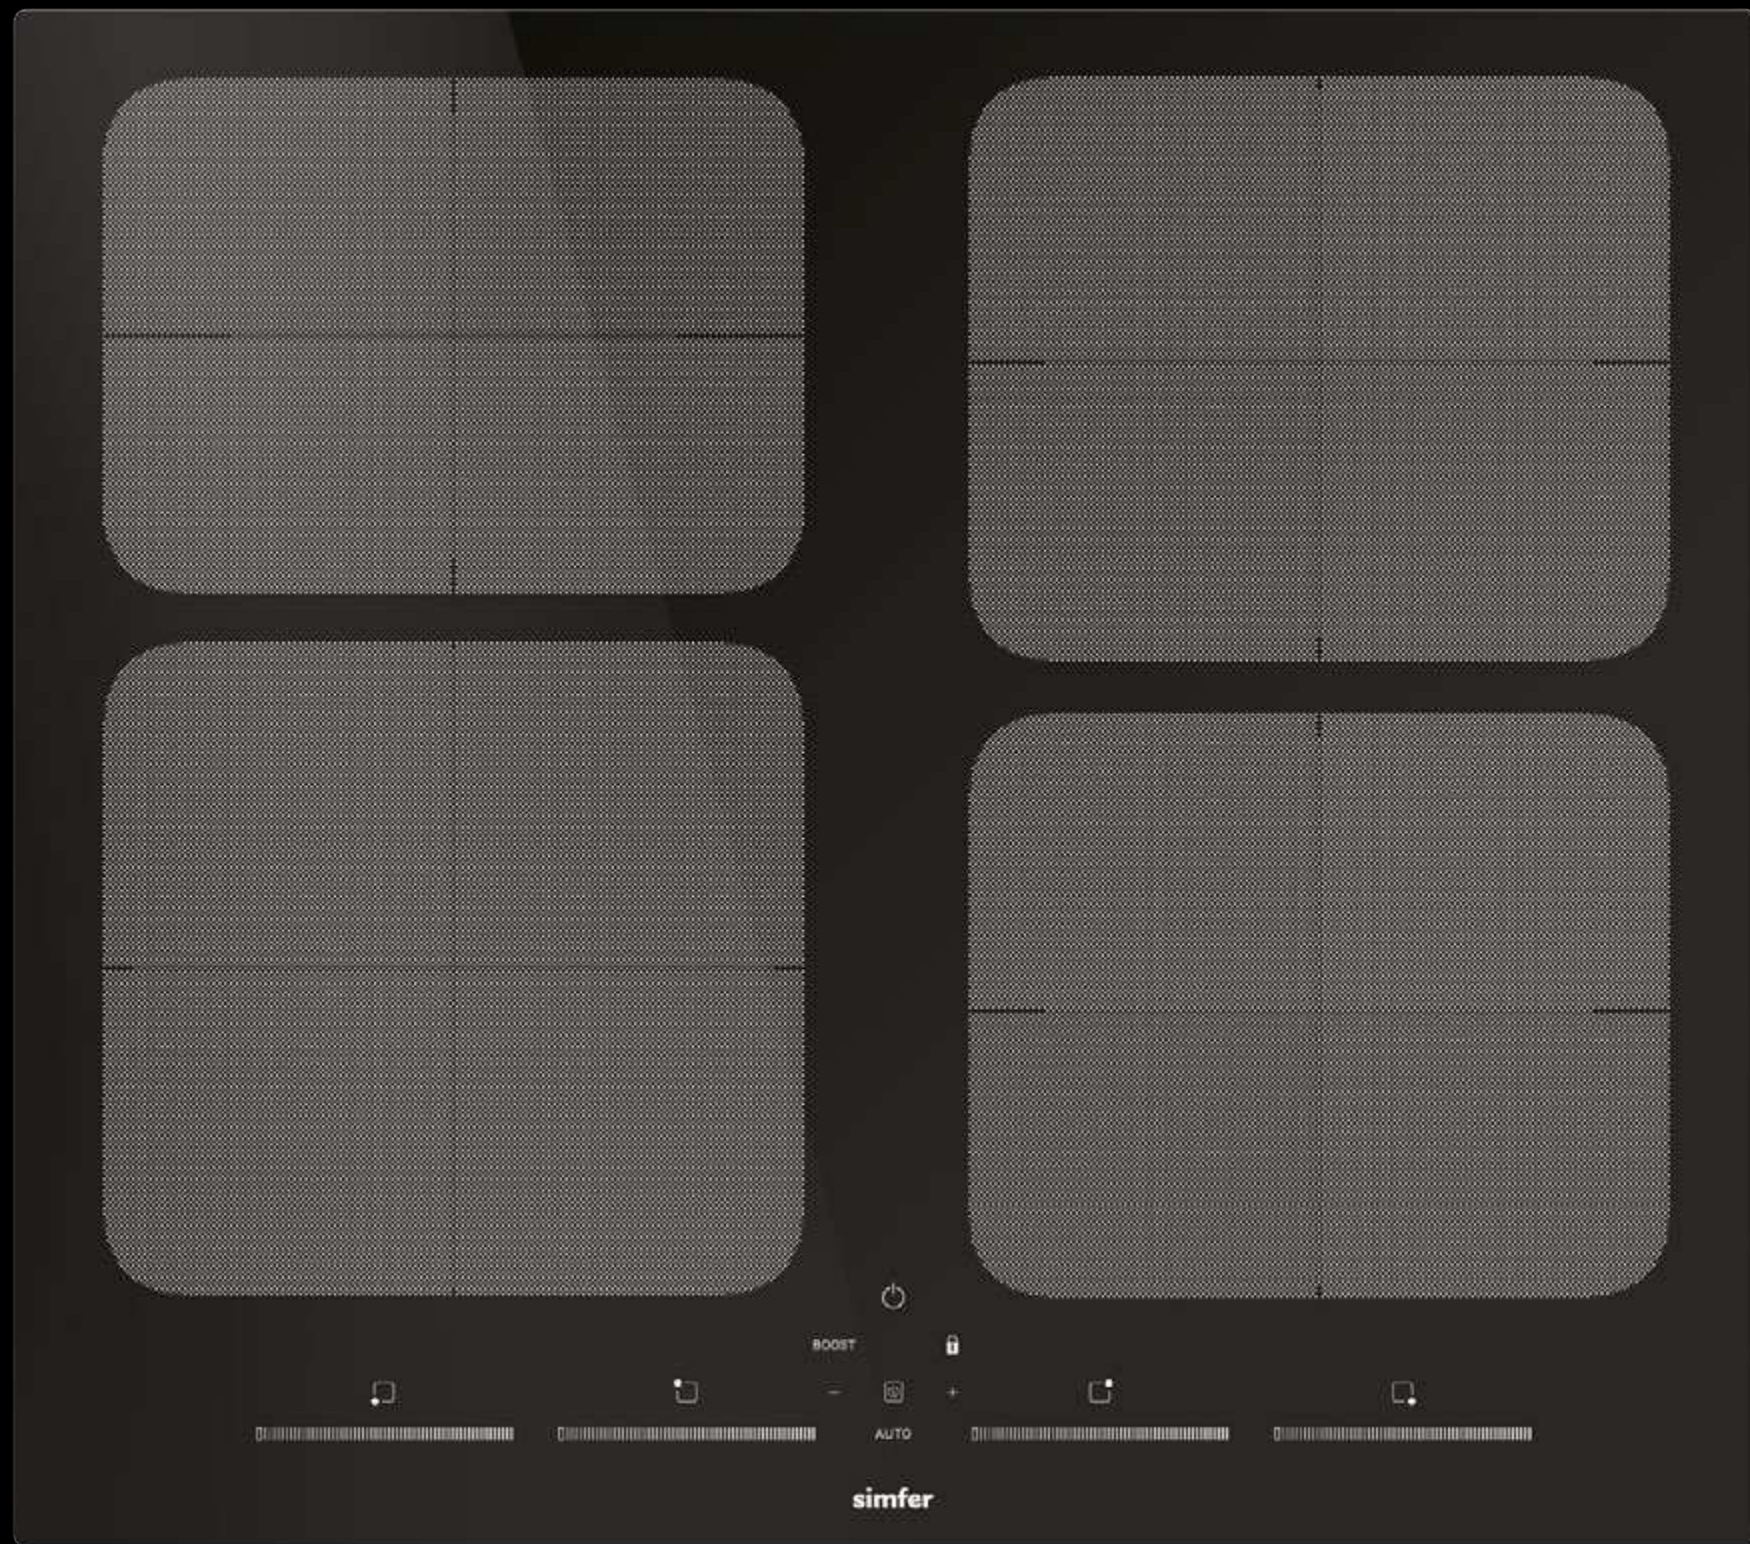

Avoids the children to accidentally activate the heating zones.

Automatic Heat Up

Remains at the highest heat setting for a definite time and then decreases to the desired heat setting.

simfer

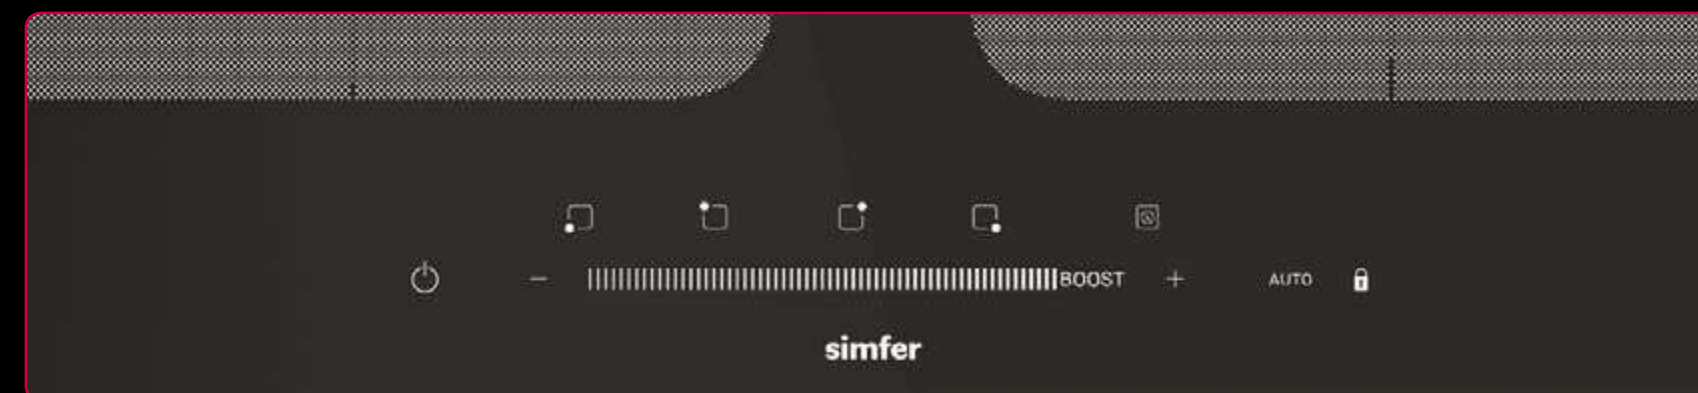

ICQN best

Direct access slider controls for every single zone.

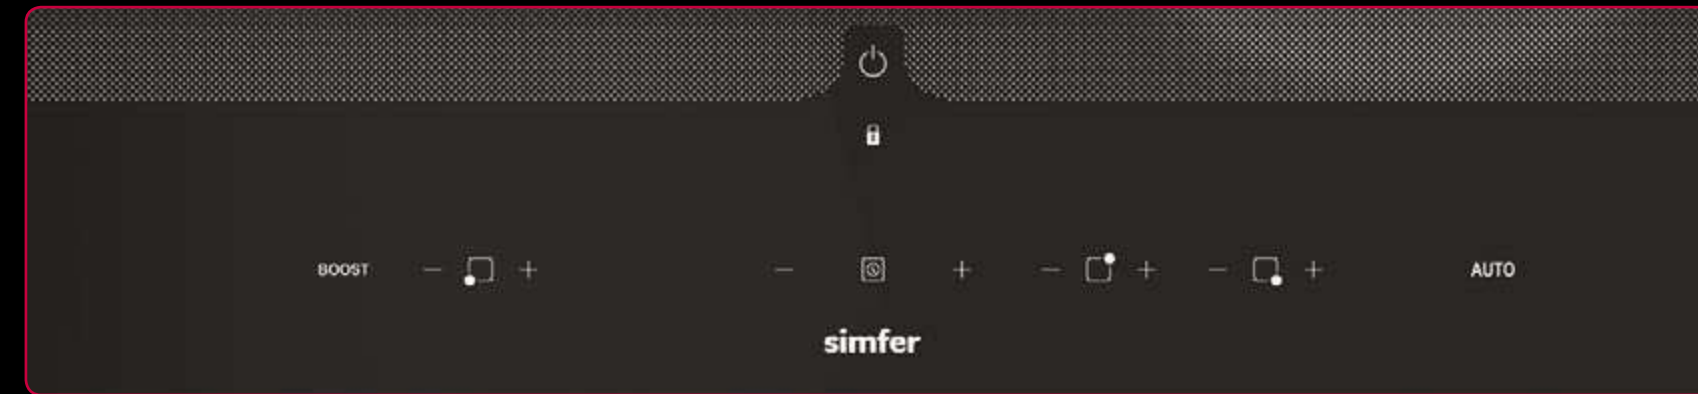

ICQN better

Access to all zones with zone selection buttons and one slider.

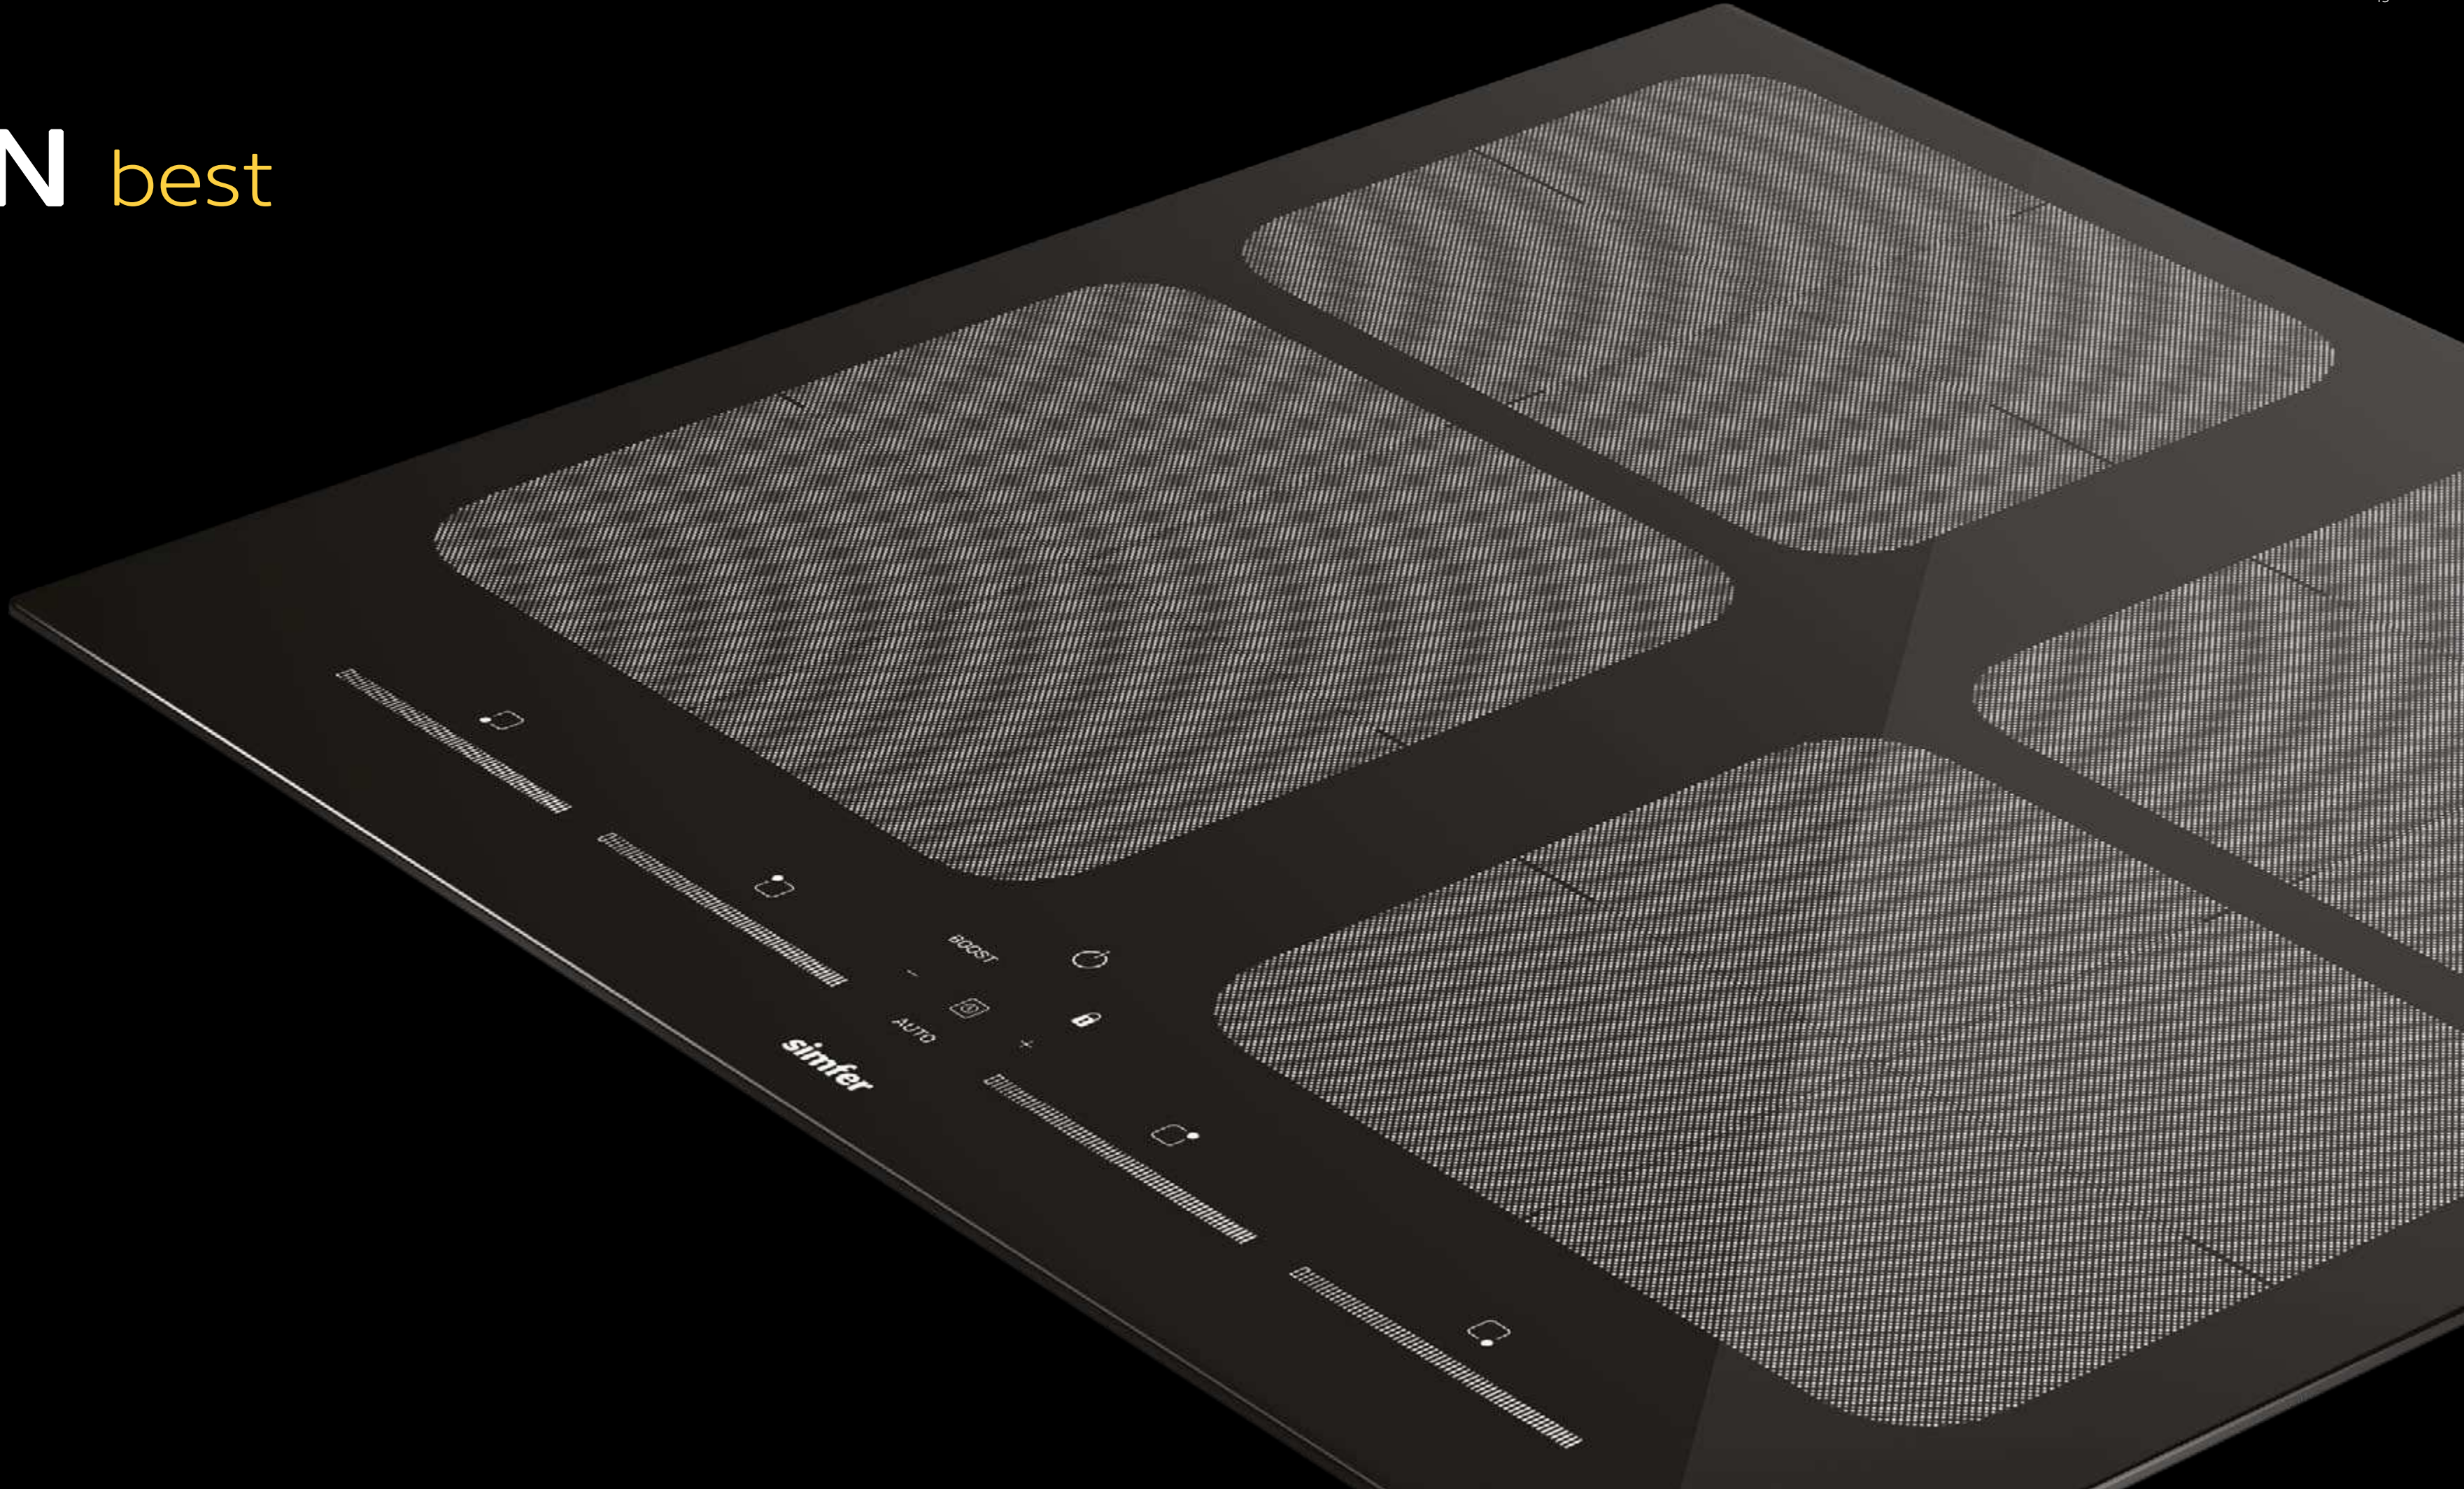

ICQN good

3 cooking zone with touch control buttons.

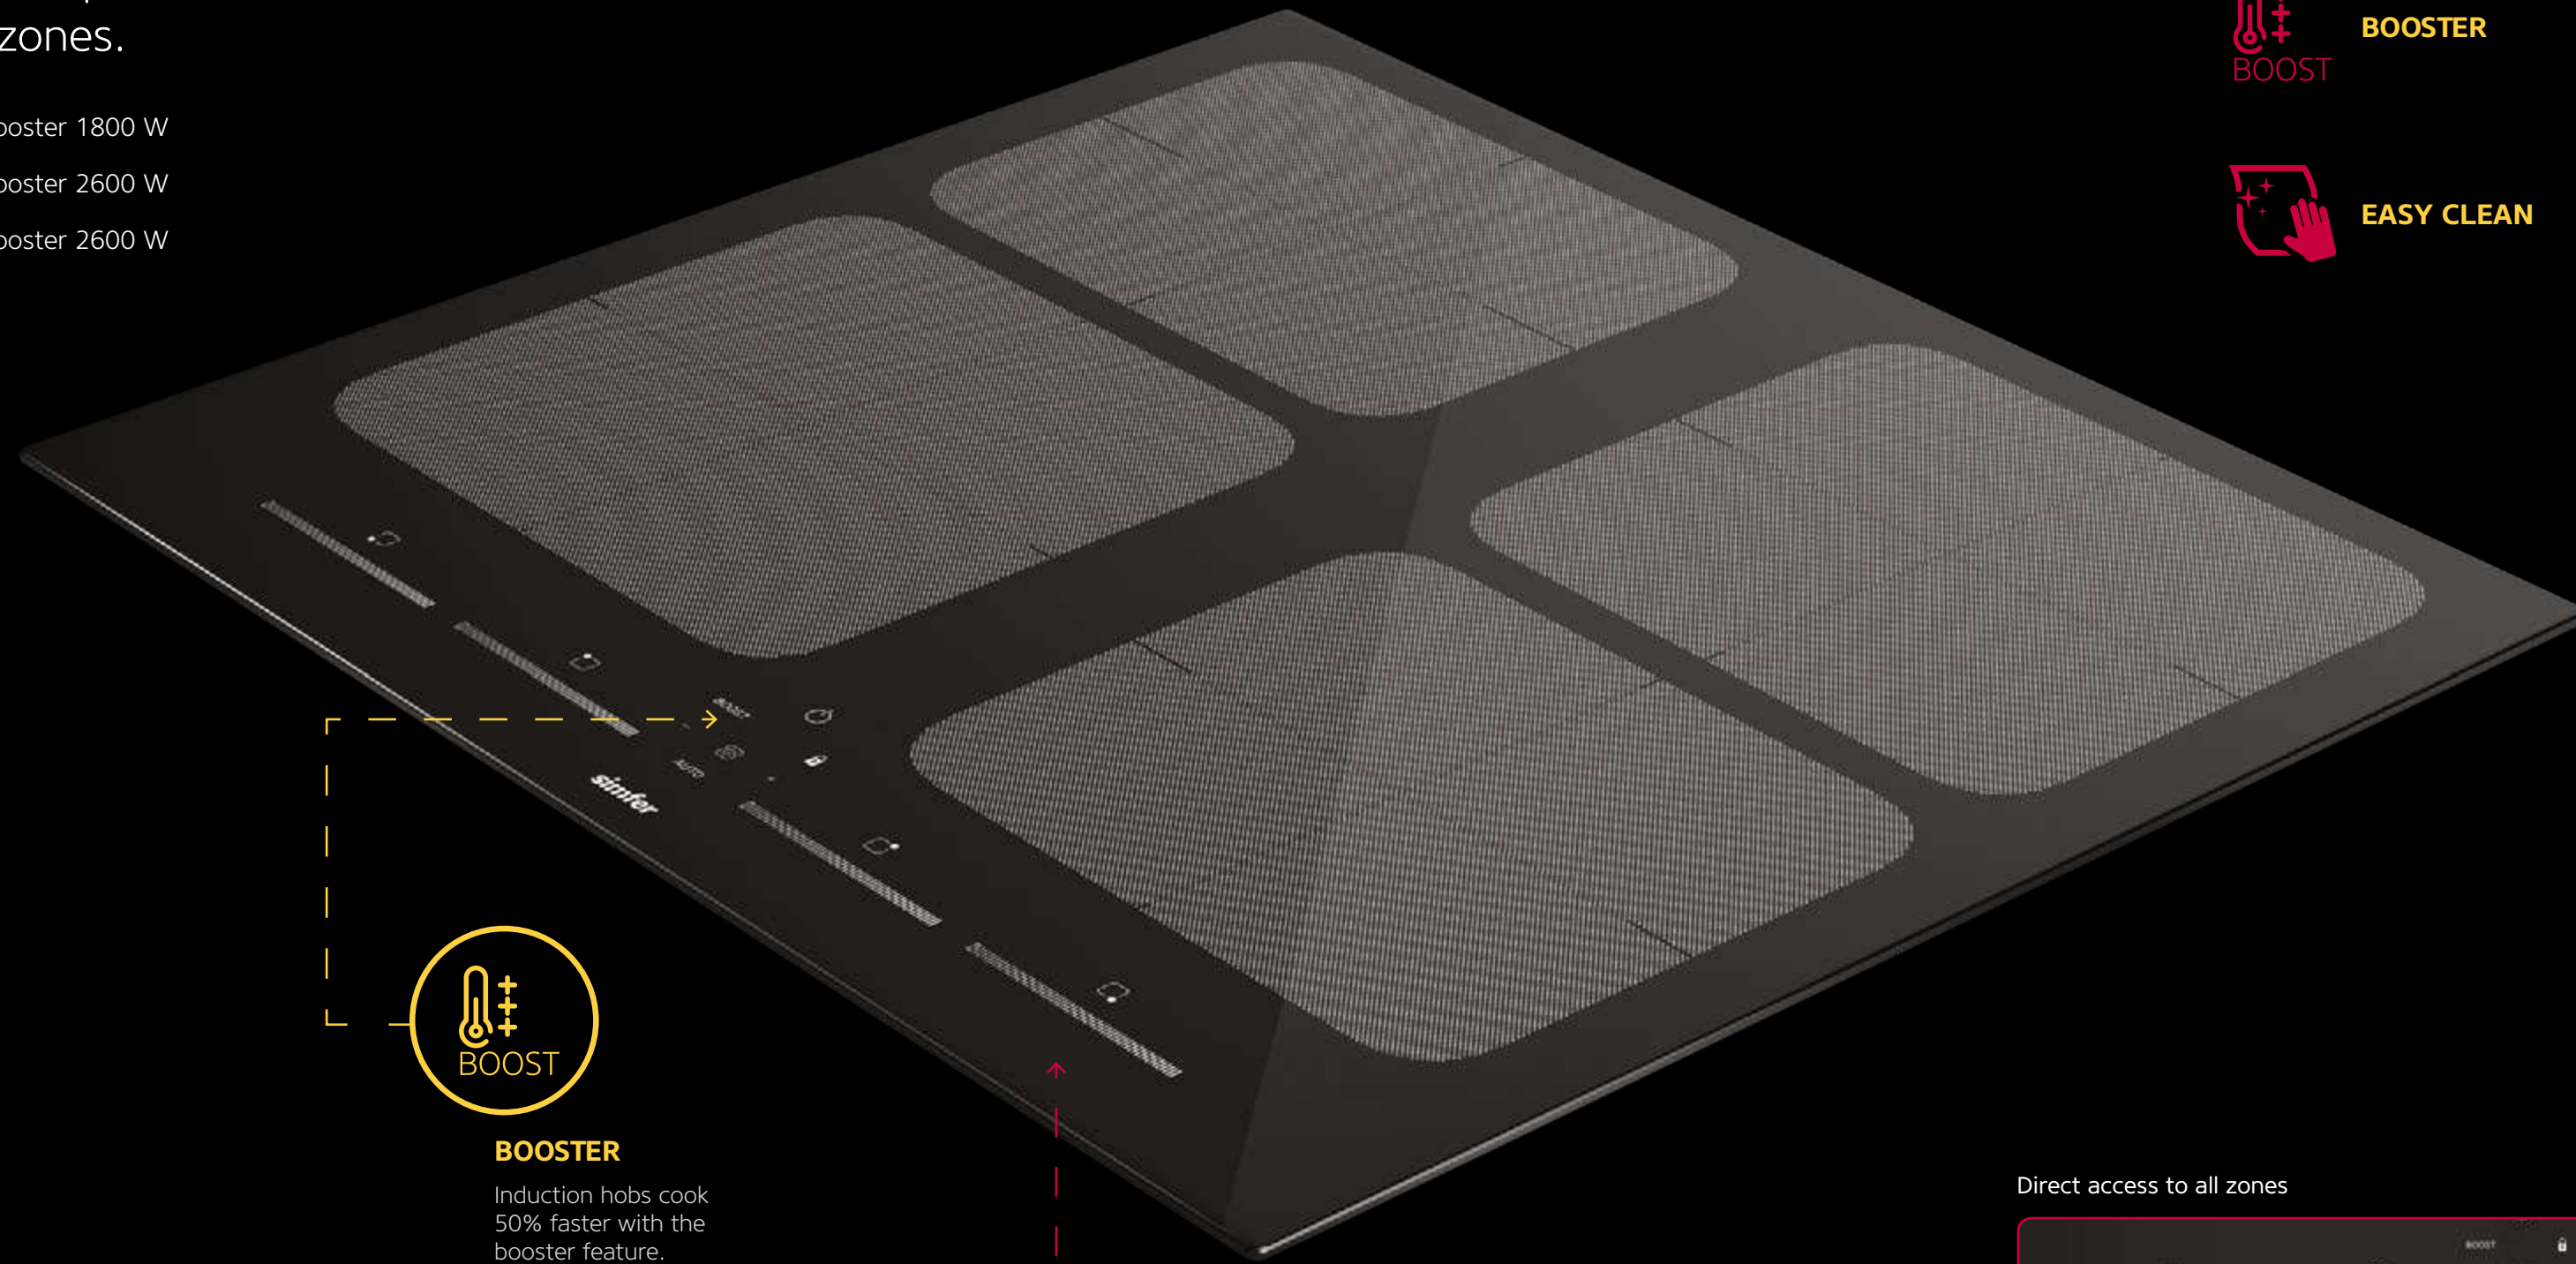

ICON best

ICON best

Touch control slider provides direct access to four cooking zones.

- ▶ 1xØ145 P: 1x1400 W - Booster 1800 W
